YP 1 What, you enjoy sober sex?

YP 2 Yeah, it's good to be able to remember it.

YP 1 I don't know man, I've had sex sober and it doesn't work out well.

YP 2 Well for me I like to feel everything and remember what's happened and how I felt. Otherwise what's the point?

YP 1 I don't know, I've been with some girls who just want their hole, they don't seem to care about feeling anything.

WHAT DO YOU NEED TO
#MAKETGOOD?

Alcohol is fun to drink at parties, but it shouldn't get involved in sex. If someone has had enough to drink to get kind of drunk, then they cannot make decisions on what they want to do with their body and it is sexual assault or rape. When it comes to relationships yeah it's fun to get drunk with your S.O but if it's too often, all that you do, makes the other person uncomfortable or the person seems to have a problem then it can seriously mess up relationships.
