

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

Avoiding pregnancy and STDs.

(16/Dundee/Female)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

Having safe sex.

(17/Dundee/Female)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

Safe Sex and no babies.

(16/Dundee/Female)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

*Condoms are very important in
sex because if you don't use on
the girl could become pregnant
or either people could contract
an STD or STI.*

(16/Dundee/Female)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

*I need condoms to be safe as
I've recently come off the
implant due to discomfort.*

(17/Angus/Female)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

*People don't think about
STIs, it's just pregnancy they
worry about.*

(Focus Group 12)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

It's all about STDs and not getting drunk and getting pregnant. It's not really any useful information. Even when they do talk about condoms it's really embarrassing and they don't really as us anything.

(Focus Group 2)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

I wouldn't have sex with someone without protection.

(Focus Group 1)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

I feel like everyone that I've spoken to about sex all expect to use protection, it's just like a thing that goes with having sex.

(Focus Group 1)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

It's just how it is now I think, I mean why would you ever not use a condom?

(Focus Group 6)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

I wouldn't have sex without using something, I think I'm more afraid of getting pregnant than catching and STI though. They seem a lot less stressful!

(Focus Group 5)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

I mean we talk about it with our close friends, but I don't really talk to other people about it. I haven't, you know, yet. But when I do I think I will want to use one. But then girls I know who are in relationships and having sex with their boyfriends they don't use anything, or if they do now, they didn't for a long time. So, I think the importance of it is maybe over-emphasised in school. Like if they aren't using them and they aren't you know dying of AIDS or getting pregnant then maybe it doesn't matter.

(Focus Group 2)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

I definitely think it's more expected for girls to protect themselves, guys don't seem that bothered.

(Focus Group 1)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

Well they need to be more careful. Most of the girls round here are on the pill anyway, so they aren't gonna get pregnant. That's up to them if they want a child anyway.

(Focus Group 7)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

I think it's quite difficult for a girl to persuade a guy to use contraception. I think if she wants to use contraception she needs to sort it out herself.

(Focus Group 2)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

Boys assume girls are on the pill.

(Focus Group 12)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

Girls would use the pill or the morning after pill.

(Focus Group 14)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

I'd assume they were both using contraception.

(Focus Group 14)

WHAT DO YOU NEED TO
#MAKEITGOOD?

Both should be responsible but in reality you might expect the other person to do it.

(Focus Group 13)

WHAT DO YOU NEED TO
#MAKEITGOOD?

It is sometimes ok not to use condoms if you are in a long term relationship with someone you trust and you can openly talk to your partner. Shared responsibility between men and women.

(17/Angus/Other gender identity)

WHAT DO YOU NEED TO
#MAKEITGOOD?

I think it's both your responsibility, I mean even if you are a lassie. It's not like you wouldn't notice if a guy hadn't put a condom on. I think it's ok for girls to refuse having sex, and guys as well for that matter, if their partner doesn't want to be protected. You have to share the responsibility and the result, if it goes wrong, equally. It's about respecting each other.

(Focus Group 6)

WHAT DO YOU NEED TO
#MAKEITGOOD?

It's the responsibility of both the girl and the boy to be taking precautions to make it safe. Like I'd always expect him to wear a condom even if I'm on the pill anyway. Cos I really don't want to get pregnant.

(Focus Group 2)

WHAT DO YOU NEED TO
#MAKEITGOOD?

Maybe if you were from up the west side of Perth and like your bird was wanting to go off and study university or something then you might think about having a wee rubber sesh, but the girls round here aren't bothered. It's not like they are gonna stop you if you dinnae put a johnny on.

(Focus Group 7)

WHAT DO YOU NEED TO
#MAKEITGOOD?

I'd always wear a condom cos I don't want to be getting the clap or that, and I get myself checked out anyway, cos you can still get crabs with condom. They are like the sexiest of things but they are worth it. You have to be steady to have a kid, I'd never want to get a girl pregnant now man, I'd need a job and somewhere to stay, a motor and that.

(Focus Group 8)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

Like wearing condoms and that, like I don't think you have to do it always. Like if you've been in a relationship for a while, like a few months or something. But I wouldn't just like sleep with someone random without wearing a condom.

(Focus Group 6)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

If you are with a girl for a while, like a couple of months or that, and you think you can trust her and she's no got the clap then, aye, lower your defenses. But it's your body, so if you want to be healthy then make the good choices.

(Focus Group 7)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

Buy from bathroom.

(16/Angus/Male)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

*Overpriced plastic
lifesavers.*

(16/Dundee/Male)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

Condoms are so expensive and guys never buy them, even my friends get me to buy them for them, they are really embarrassed. Now that we come here we can get condoms for free, but before we didn't know this sort of place existed, so I would spend like £5 on condoms and that is a lot of money for sex.

(Focus Group 1)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

Johnny's are too expensive man, they are like those machines in Asda and that, £2 for 2 rubbers. It's no wonder people don't use them.

(Focus Group 7)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

I feel like guys get really embarrassed about condoms, they treat it like it's a joke or something and they are fine with that, but actually when it comes to it, they don't know what to do. I buy condoms for guy friends because they are too embarrassed to go into shops.

(Focus Group 1)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

If condoms were more available in schools and that, like even if condom machines worked rather than just taking your money, then it would be better cause I think it's important for people to feel they can get them and then choose to use them. But they are still too expensive.

(Focus Group 71)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

Embarrassing to buy.

(18/PK/Male)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

They fall off quite easily if you ride to hard.

(19/Angus/Female)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

Condoms are 100% safe. They are easily ripped or get small holes in them that you can't see.

(17/Dundee/Female)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

This place isn't always open, and when it is there's always somebody sat there. So if you were in here like helping yourself to johnnys every day, then you might get a bit of a reputation.

(Focus Group 7)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

*Guys will say they've put it on
and they haven't.*

(Focus Group 13)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

Tend not to use them.

(19/Dundee/Male)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

Depends how drunk you are.

(Focus Group 14)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

*Very sore, makes me not
want to use them and I rarely
do.*

(19/Dundee/Female)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

*Naw, they get in the way
of the joojoo. It's such a
hassle and it breaks the
flow.*

(Focus Group 7)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

*I don't use them because I
feel it takes away the
pleasure.*

(16/PK/Other gender identity)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

They're shite... You feel less.
(Focus Group 11)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

*It's the smell of it, man the room
reeks. You're not gonna get oral
after your dick smells of rubber.*
(Focus Group 14)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

*You might be allergic. They
might not fit.*
(Focus Group 11)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

*You can't feel it. I'm against
it. You can't do it, they freak
me out, feel dodgy.*
(Focus Group 14)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

*You've got to respect yourself.
Like everybody knows that
having sex, you could catch
something, but you have to make
the decision in the minute. That
means if you don't have a johnny
and you are already there, then
you are probably not gonna stop
to sort yourself out with one. But
everybody's different.*
(Focus Group 7)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

*No one around here uses
condoms, folk are pretty riddled
and we know that. It's easier to
head up the Drumhar and get
yourself seen to.*
(Focus Group 7)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

*There is a real thing that guys
don't think it's manly to use
condoms, you never hear people
talking about condoms unless
it's like a joke or making fun of
someone.*

(Focus Group 2)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

*Guys have too big an ego, but
really they're shy to actually go
and get them.*

(Focus Group 13)

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

WHAT DO
YOU NEED
TO
#MAKEITGOOD?

*Aye, it's funny 'cos it's...you
might be the big man 'cos
you've had loads of birds but
actually when it comes to it,
there's not much pride in
protecting yourself.*
